Dear Sirs,

The enclosed clipping will explain why I send you the enclosed, which we used to call "Wild Cat-money" in those days.

My husband was fond of collections & had a quantity of "Shin plasters" 10-25-& 50-paper money

I am sorry to say I have in the last 6 years of drifting since his death given much of it to nephews & grandchildren to play store - as to them it-

was more enjoyable as "really money"

I have a niece, who at one time had a 50$ note of Continental money - paid her Great Grandfather for services in the Revolutionary War - I think I shall be very glad if any of the enclosed will added to your collection —

Yours truly
